

V-I1-82E  
Transmitter Receiver

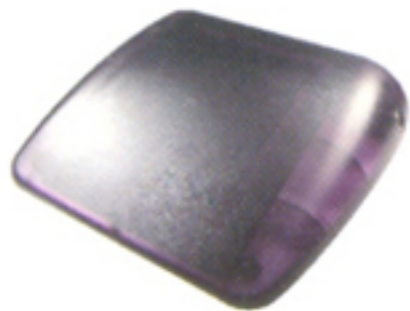

EAS-82E is wireless communication system transmitting and receiving signals via radio frequencies. The standard operating centre of frequency is in the range 7~10MHz with bandwidth of 1MHz. It is to be used with RF labels and/or hard tags. A system is comprised of a receiver antenna, a transmitter antenna and a power supply. It is highly beneficial and has wide application in the retail industry.

### Features

- DSP system with proprietary software incorporating RF/ADD
- ABS durable molded design with modern outlook
- Automatic analysis of noise and interference ensuring high pick rate and fast response time
- Digital system with auto-tuning mode to ease testing and installation
- Environmental friendly with low power usage

### SPECIFICATIONS

Operating voltage	DC 24V
Operating current	< 400mA
Fuse	250V, 500mA
Centre frequency	8.2 +/- 0.05MHz
Modulation frequency	180Hz, 172Hz, 160Hz or 150Hz

I3-DA-S02  
Deactivator

- All-in-one unit with alert prior to deactivation
  - Easy to install with horizontal or vertical placement
  - Deactivation height: 15 ~ 18 cms
  - Size: 320 x 272 x 50 mm
  - Center frequency: 8.2 +/- 0.05MHz
  - Sweep frequency: 1.2 +/- 0.05MHz
- Operating Voltage: 24V DC

RF Tags

I3-ST-RF2  
Self-Alert Tag

- Ideal for high value items
- Merchandise can be displayed openly yet providing security
- Once tag is removed from merchandise or lanyard is cut, alarm will sound with red flashing light

Deactivation Remote  
for Self-Alert Tags

## Currency Counting Machines

### Features

- Heavy duty machine
- Elegant, compact & portable design
- Special note dust collection filters
- User & Environment friendly
- High speed operation: 25 sheets/sec
- Automatic start/Stop function
- Count number verification
- Preset batch
- Alarm for aborted count
- Net weight: 40 kg

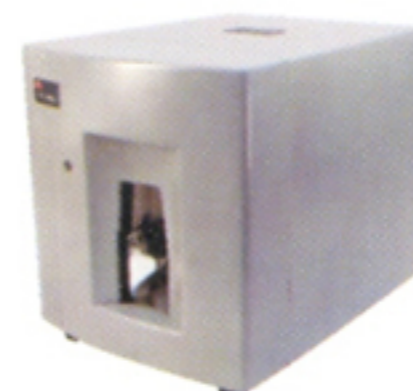

BN1500  
Bundled note  
counting machine

LN1000

### Loose note counting machine

- Table top machine
- User friendly control panel
- Auto/Manual mode
- Speed: 1000 pcs/minute
- Counting display: 1-999
- Net weight: 8 kg

NB100

### Note Banding machine

- Fully automatic
- 1" banding
- Adjustable banding position
- Speed: 100 pcs / 2sec
- Net weight: 11 kg
